# The Legendary Scribble-Scrabble Book

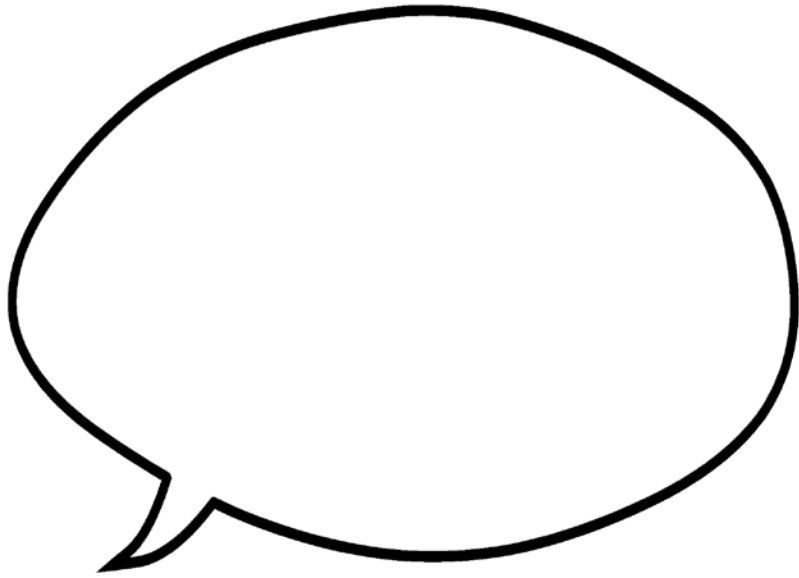

# for Your Party!<sup>yeah</sup>

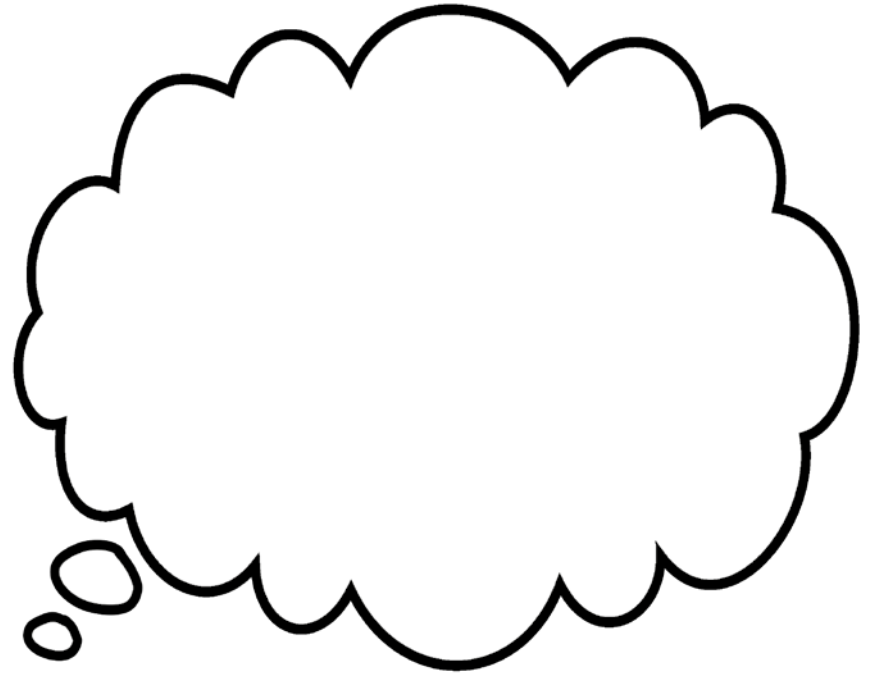

*What is going on directly  
across from you at the moment?*

*What is your coolest  
pick-up line?*

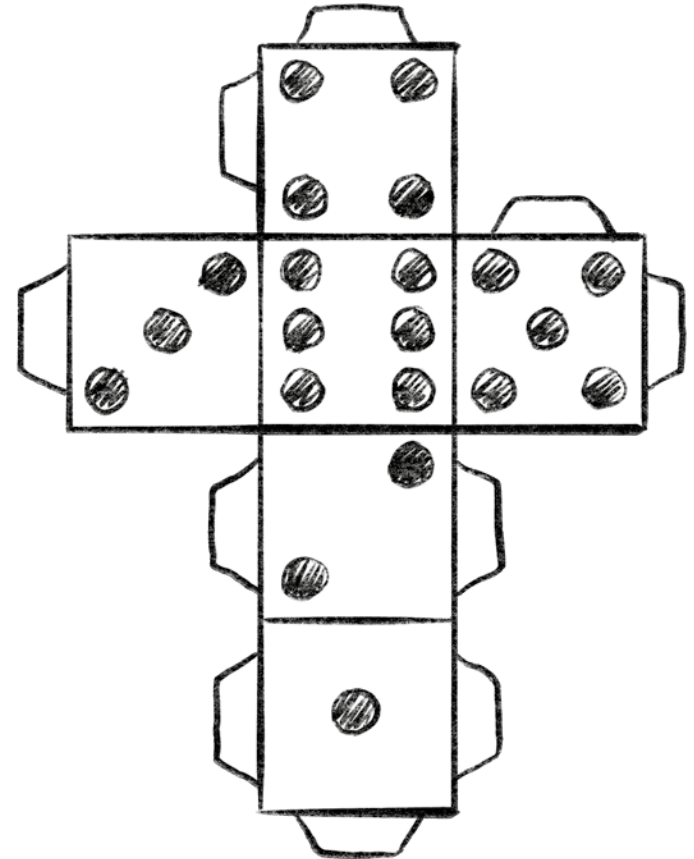

*What are you too shy to ask?*

# Create your own decision support system:

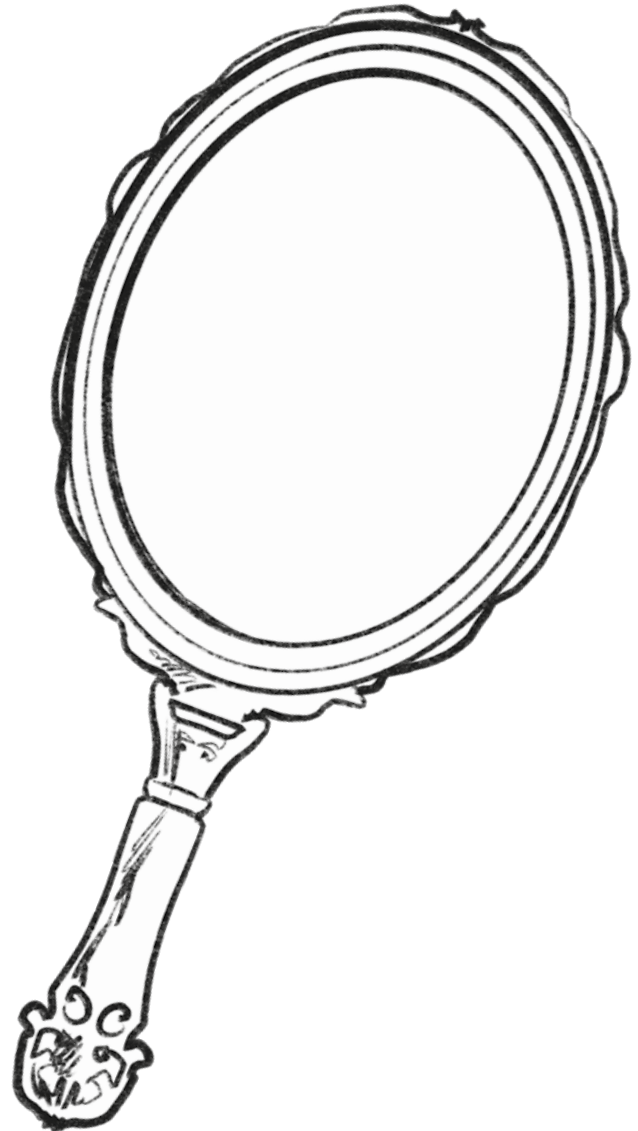

- + *how much BEER should I drink?*
- + *how many HOURS should I stay?*
- + *how many WOMEN/MEN should I talk to?*
- + *how many bags of CHIPS should I munch on?*
- + *how many SONGS should I sing along to?*
- + *how many HEROIC TALES of myself should I tell?*
- + *how many SHOTS should I take?*
- + *how many of my CLOTHES should I take off?*
- + *how many PICTURES should I post?*

*So, do you already have  
someone on the hook?*

*Here comes  
a real classic,  
the selfie:*

*Saturday Night Fever forever!*

*Draw YOUR most awesome  
dance pose right here:*

Is there a **party-pooper** in attendance?

*The day after the party ...*

*Draw right here  
how you are feeling.*
